

## FLORIDA WATER ENVIRONMENT ASSOCIATION UTILITY COUNCIL (FWEAUC) MEMBERSHIP APPLICATION

### ADVANTAGES OF MEMBERSHIP IN THE FWEA UTILITY COUNCIL

- ◆ Active involvement in an organization promoting and engaging in the adoption and implementation of effective legislation and regulations
- ◆ Timely legislative reports and updates provided
- ◆ Legal representation with decision makers in Tallahassee
- ◆ A forum of Florida utility managers and peers to discuss the important issues facing the wastewater industry
- ◆ Specialized work groups concentrating on areas such as: PFAS, Numeric Nutrient Criteria, Water Quality, Biosolids, Reuse/Reclaimed Water, Sanitary Sewer Overflow, Deep Well Injection, and Infrastructure

I/We request membership in the FWEAUC. I/We subscribe to the purposes and policies and accept the bylaws of the FWEAUC.

**Please check one of the following categories:**

**REGULAR UTILITY MEMBER**

Publicly owned and operated metropolitan, county, or city wastewater utility in Florida – OR – Privately owned or operated wastewater utility in Florida

**SUBSCRIBER**

Any other person or organization, not eligible for Regular Utility Member whose interest are compatible with FWEAUC

**Utility/Organization/Company Name:** \_\_\_\_\_

**Primary Address:** \_\_\_\_\_

**Primary Contact Person Name & Email:** \_\_\_\_\_

**Secondary Contact Person Name & Email:** \_\_\_\_\_

**Note:** The two contact persons listed above will be the individuals who receive the communications directly, however, you are allowed to disseminate and share all correspondence with your entire organization as you see fit. If at any time your organization would like to replace one of the two contact persons, please email that request along with replacement contact info to [utilitycouncil@gmail.com](mailto:utilitycouncil@gmail.com).

## DUES INFORMATION

Upon approval of your application for membership, your agency will be placed on our membership mailing list, and you will be invoiced for dues based on the rates as described below. Dues for new members are prorated to the nearest quarter. Dues calculations are based on Average Daily Flow (ADF) data in quantities of million gallons per day (MGD).

**Utility ADF (previous 12-month average):** \_\_\_\_\_

Utility Membership Dues	Rate
ADF Less than 5 mgd	\$1,315.00
ADF 5 to 10 mgd	\$2,095.00
ADF 10 to 20 mgd	\$5,989.00
ADF greater than 20 mgd	$\$0.00017 \times \text{ADF}$ (Max. \$23,417.00)

Subscriber Dues	Rate
Subscriber	\$1,000.00

Please email a copy of this completed application to [utilitycouncil@gmail.com](mailto:utilitycouncil@gmail.com) with the subject line: "**NEW MEMBER APPLICATION.**"

***Thank you!***
